Junior Sandpaper (The Bull Sheet)

Season has started, Under 7's, 8's, 9's, 10's 11's and 13's have taken the field in the mighty Beaches jumper. We have shown growth in numbers across most age groups. Under 13's and 11's could use a few extra's see next page for our Try Rugby Rego Tell your mates about it and get them to have a few games for the Beaches in 2016.

Waratahs guard of honor 16/4/2016:

Members of various age groups did the Beaches club proud when they clapped the Waratahs on when they played the Brumbies. The only blemish on the night was a search party had to be sent out for committee members Corey Noble and Paul Doran, they must of got caught up in Sydney traffic after attending the Randwick Eastwood game at Coogee oval. 😊

The kids had a great time, even though the Tahs did not get the win. They are keen to go down again and represent the club again at the **March Past** on the 14/5/2016. Ask your coaches and managers about how to get involved. We have been allocated 70 kids tickets and 20 adult tickets for the night. From all reports those involved last year had a great time.

Friday Night Rugby.

The Club is looking to play some games on Friday nights to make use of our great facility. Our first outing is likely to be on the 6/5/2015. With other fixtures negotiated with other clubs when we have one or two age groups playing at home. Some age groups such as the 11's and 13's may benefit from playing more games on Friday night as some of there playing group have other commitments on Saturdays. Please talk with your coaches and managers if your child cannot play Friday nights due to other commitments. Another reason for Friday night Rugby is to attract new players to our great club.
